There oughta be a law the way you walk in them pants

Comin up in here half dressed, where ya clothes at

What your name and where you get them pretty toes at

She barely good but good with curse words

Spend all my money up, smoke all my herbs

Crash the coupe, make her count that too

No matter what ya do you're still my boo

She run the streets more than I do, boo the doo

Can't talk to ya cause she keep an attitude

Hid the stash, hit the cash, ain't ask to borrow

Lookin at it ain't a loss I'll make it up tomorrow

Holla-in at my man sayin I'll see y'all tomorrow

I'm out wit lil mama, she got pussy puppy power

Turn down my ones and none and then some

Haters here they come but shes a chicken on the run

Something that ya give to 'em can't take it
So keep it off the record you sexy fuckin naked
So everytime I hit it I'm like oh yeah (ooo, ooo)
Daddys little girl tryna show some public hair (yeah)
Tryna get me upstairs yeah thats cool (yeah)
Take that off show me what that do (yeah)
Now I'm finally in it, you now a grown up
Boyfriend callin she can't pick the phone up
Man I'll tell ya I don't trust no broads
So listen up fellas what I'm tellin y'all
How time flies when you're havin fun
But whose havin fun with a chicken on the run

Roll it in cocaine and hide it in propane
Niggaz intimidate, why because shes wrapped up
