PRETTY KITTY BLUE EYES

The Merry Macs

When she walks along

On the street fellows shout

"Here, pretty Kitty,

Here pretty Kitty blue eyes."

You can hear 'em shout

Every time she goes out,

"Here, pretty Kitty,

Here pretty Kitty blue eyes."

But she looks at no boy

She's lonely in New Your,

'Cause she loves a doughboy

Named Johnny O'Rourke.

That's why she'll never

Hear anyone till he'll shout,

"I'm here, pretty Kitty,

Here pretty Kitty blue eyes
