"Get Burned"

Make your own mistakes, that's how you learn
Play around with fire
Then get burned
If your mind is open
You'll be wise
Being that you always pay the price

And it's alright
Burn me like a light
Keep me up all night
Next time I'll do right
Yes, I'll do right

I'm not saying that you won't get hurt
Bruise your little elbow
Rip your skirt
I'm just saying this is how you learn
Oh, you play around with fire
Then get get burned

And it's alright
Burn me like a light
Keep me up all night
Next time I'll do right
Yes, I'll do right

You may trip and fall
But this is how you learn
You may hit the wall
But this is how you learn
You may trip and fall
But this is how you learn
This is how you learn
You may hit the wall
But this is how you learn
This is how you learn
You crash and burn

You crash and burn
You crash and burn
You crash and burn

You crash and burn
You crash and burn
You crash and burn
