The pointer on my watch
Came out a little too much
You never did show up
To save my week, so

The cigarettes and scotch
A little came too much
I'm trying to flood my veins
My sins will wash away

Flow like a river, wash away
Flow like a river, drain away

The quicker I get touched
By women, by girls, by such
The quicker I change my name
To spare my week, so

I never get them right
We quarrel and we fight
Out of mind and sight
The way I feel sometimes

Hey, hey now
I don't know when and I don't know how
But I said hey, hey now
When I went down and I took a bow
When I went down

The quicker I get touched
By women, by girls, by such
The quicker I change my name
To spare my week, so

I never get them right
We quarrel and we fight
Out of mind and sight
The way I feel sometimes

Hey, hey now
I don't know when and I don't know how

But I said hey, hey now
When I went down and I took a bow
And I said hey, hey baby
well I'm sure and I know I maybe
Hey, hey now
