You are the girl of my dreams
In my heart I believe
You are the girl of my dreams,
Baby, of my dreams
All alone in my room
Wishing that you were here
Without you in my arms
I'm holding back all of the tears

Without you in my life
I'll never been satisfied

You are the girl of my dreams
In my heart I believe
You are the girl of my dreams,
Baby, of my dreams

Sometimes I feel
I could have been better to you
All I want is a chance
To prove that my love is true

Without you in my life
I'll never be satisfies
You are the girl of my dreams
In my heart I believe
You are the girl of my dreams,
Baby, of my dreams

Baby let's go back in time
To when our hearts would shine
And I could hold you tight
in my dreams at night

You are the girl of my dreams
In my heart I believe
You are the girl of my dreams,
Baby, of my dreams
