I used to call you my girl
I used to call you my friend
I used to call you the love
The love that I never had

When I think of you
I don't know what to do
When will I see you again

I miss you like crazy
Even more than words can say
I miss you like crazy
Every minute of every day
Girl I'm so down
When you love's not around
I miss you, miss you, miss you
I miss you like crazy

You're all that I want
You're all that I neey
(You're all that I need)
Can't you see how I feel
Can't you see that my pain's so real

When I think of you
I don't know what do do
When will I see you again

I miss you like crazy
Even more than words can say
I miss you like crazy
Every minute of every day
Girl I'm so down
When you love's not around
I miss you, miss you, miss you
I miss you like crazy

I miss you like crazy
Even more than words can say
I miss you like crazy
Every minute of every day

Girl I'm so down
When your love's not around
I miss you, miss you, miss you
I miss you like crazy

I miss you like crazy
I miss you like crazy
I miss you like crazy
I miss you like crazy
