It was a day like today  
that your mama died  
It was cold and snow fell  
so deep that you stayed inside  
and no, I don't know how it feels  
anymore than you know how it feels  
to long for you  
and I long for you  
It was a night like last night  
that you headed west  
You travelled light  
like your heart  
you gave your past a rest  
when your luggage came you broke down  
you had it packed away  
but not for long  
tell me what's wrong  
Roseangelie  
How do I get to Roseandelie?  
How do I get to you?  
It was a week ago last week  
in a parking lot  
we were standing still  
we were going nowhere  
That's when I found out  
the evil that lurks  
behind even the best man  
couldn't help but find me in the end.  
That's what you said  
Where did I leave her?  
Was it in Mississippi?  
Maybe it was Chicago  
Or Los Angeles
