You took me in
You made me believe
That you were something more to me
Something that I'd never find again

You gave me hope
You gave me peace
You gave everything I need
And then one day my dreams came to an end

I keep on going
Can't keep from knowing
I keep just on going down the same old way
You keep playing mind games
It keeps ending the same
I gotta open my eyes and see
That you are playin' me
You are playin' me

You take me to a place I don't wanna be
And I'm knocked up around you
I'm tied up in every corner of your life
You're everything you have over me
Think my life turns around you
I just sit back and let you feed me all your lies

Cause you are everything I breathe
You're everything my life don't need
And I just keep on letting you ruling over me

I keep on going
Can't keep from knowing
I keep just on going down the same old way
You keep playing mind games
It keeps ending the same
I gotta open my eyes and see
That you are playin' me
You are playin' me

I stay up every night
Just hoping you think about me

Right now I realize
That every night you're out with someone else

I keep on going
Can't keep from knowing
I keep just on going down the same old way
You keep playing mind games
It keeps ending the same
I gotta open my eyes and see
That you are playin' me
You are playin' me
That you are playin' me
You are playin' me

That you are playin' me
