Creator conditor perpetua
Exulta clamava in saecula

Conditor alme siderum
Aeterna lux credentium
Christe redemptor omnium
Exaudi preces supplicum

Qui condolens interitu
Mortis perire saeculum
Salvastis mundum languidum
Donans reis remedium

Creator conditor perpetua
Exulta clamava in saecula

Laus honor virtus Gloria
Deo Patri cum Filio
Sancto simul paraclito
In sempiterna saecula

Creator conditor perpetua
Exulta clamava in saecula

Creator conditor perpetua
Exulta clamava in saecula
