You see myself on top
And then i send that shit to the bottom
I blow money on .. rose and vodka
Gotta think I gotta
You see myself on top
And then i send that shit to the bottom
I blow money on .. rose and vodka
Gotta think I gotta

The bottles got to reach in
It don't spent no time .. start creeping
.. pulling air all weekend welcome to the Gucci world
.. used to be .. pretty . now she suck ..
Club spinning .. fuck the man space ship
.. job searching like .. never have shit
How could you hate .. she said Champaign make ..
bring me rose

You see myself on top
And then i send that shit to the bottom
I blow money on .. rose and vodka
Gotta think I gotta
You see myself on top
And then i send that shit to the bottom
I blow money on .. rose and vodka
Gotta think I gotta

I was talking .. so fast I was dropping that Porches
.. I had no remorse on them .. I will be jumping on jets
Cause they said it supposed to .. show me where the
party at
Kid so fly should live with the stars .
. I usually bring .. a bull popped out
You see myself on top
And then i send that shit to the bottom
I blow money on .. rose and vodka
Gotta think I gotta
You see myself on top
And then i send that shit to the bottom
I blow money on .. rose and vodka
Gotta think I gotta
