Yeah Vampire life  
it's the last supper  
we on the night  
is the fizz you're all welcome  
huh, you ever seen the sunset rising  
Top of the fist go still poppin my shit though  
said a few words to alike happen this whip hoe  
bitch now talk dirty to the top of my dick and blow  
..talk dirty just to happen this whip hoe  
drop in the strip with no top of the whip watch me  
droppin like this hoe, she want the dance  
my watch is a disco, 40 in my pens  
I'm just watching the shit go  
choppers and pistols copers on pigs  
but they lock you like pin ball  
I'm uptown you think I'm coping them bricks you're  
droppin in the pot like I drop it in Chris goal  
fry chicken wings be fry rise,  
so if you get them things keep the heat by side  
and point em mine they ain't on my level  
top floor not a single floor on my ..  
I'm f\*cking with your brain, huh  
I'm f\*cking with your brain  
if it's your brain on drugs  
f\*ck with me nigga be a brain on slugs  
Mhm these niggas ain't wait to watch out

pull up in the ..then we pop bottle  
don't know a shit of that book  
but I could dance on that shit what a flap foot  
You, f\*ck these niggas talking like they slinging things  
different airports six ..the prints  
..this talk like the best..  
connection when I ..24 on that bake of city  
..with the bisquet, nigga I'm high as hell  
got the..on top of the wild strap  
real talk you fight shells, fit on climb hell  
niggas get clap and cry tell  
is that breath, your homie invading  
..kicked all like the cops ..  
and better talk ..blaxin

my niggas ..  
It's nothing something that you used to  
I'm riding in that six doobs  
these haters knock on my grind  
rise star in..like cold room I'm twisted  
roof gone miss missin  
no sleep I'm persistent  
got 60 racks in my clothes  
60 racks in my shoulds  
..and I'm scoal, came off with dirty..  
I got niggas on my dick like bitches  
I got triggers in my hip like niggas  
and I get it on the strip like niggas
