Opened up the daily news

Read between the lines

It makes your head spin

Willy Wonga sings the blues

while keeping a smile all the time

Try to keep my point of view

From sizzling around like eggs and bacon

Leaping lizards who are you

who swallows a fly on the wall

Cause it's raining Cats and Dogs

Raining pigs and hogs

Yeah, it's raining Cats and Doggies

All over me

All over me

Sylvester slippers on my feet

Water pouring down on my umbrella

Wishing I could go to sleep

and try it again some other time

Cause it's raining Cats and Dogs

Raining pigs and hogs

Yeah, it's raining Cats and Doggies

All over me

All over me

Politicking at the zoo

Try to fix the world with Elmer's Glue

Does it take a fool to see

that something is on the wild horizon?

Cause it's raining Cats and Dogs

Raining pigs and hogs

Yeah, it's raining Cats and Doggies

All over me

All over me

All over me

All over me
