Through bloodshot eyes

Mr. Green looks on the horizon

They took his son

Now there's no forgiveness inside him

In late September

a big brick fell on his noggin

When he came to

his whole point of view seemed to change

Mr. Green

Sees things through different eyes

Mr. Green

Walking through brighter skies

Mr. Green

Now redeemed

Mr. Green smiles on the horizon

His friends all laugh

But he's on his path to the sun

Mr. Green

Sees things through different eyes

Mr. Green

Walking through brighter skies

Mr. Green

Mr. Green sees you and me

through different eyes

Mr. Green loves everything tonight
