I found some old pics
Nakakamiss
You, me and everyone
Oh how time flies
Anong bilis?
When we're having fun.

It's been another year
Another souvenir
As long as you are here
I guess there's no need to fear

Ohhh yeah!
Kapit lang

So here we go.
Tara! C'mon! Let's go!
It's all the part of growing up!

'Cause here we go.
Tara! C'mon! Let's go!
Explore the world of growing up!

Pap parapapapap
Parapapapap
Prapapapap pap
Growing up!
Parapapapap
Parapapapap
Prapapapap pap
Growing up!

Matututunan din
As long as deep within
Lahat ng gagawin
Buong loob tanggapin

Ohhh yeah!
Kapit lang

So here we go.

Tara! C'mon! Let's go!
It's all the part of growing up!

'Cause here we go.
Tara! C'mon! Let's go!
Explore the world of growing up!

Pap parapapapap
Parapapapap
Prapapapap pap
Growing up!
Parapapapap
Parapapapap
Prapapapap pap
Yeah!

So here we go.
Tara! C'mon! Let's go!
It's all the part of growing up!

'Cause here we go.
Tara! C'mon! Let's go!
Explore the world of growing up!

Pap parapapapap
Parapapapap
Prapapapap pap
Growing up!
Parapapapap
Parapapapap
Prapapapap pap
Growing up!
