I love to hurt you baby
I love to see you so sad
I want to hear you saying please

I love to see you breathing
I want to see you broken because of me
I want you down on your knees

Cuz it's the only thing that makes me realize
That there is something in your heart that you hide
You don't talk about it so I (really) don't know
But I wanna hear it
So baby please, oh oh.

Tell me now if you really love me

Tell me now if you reall need me
Tell me, tell me now
Cuz I'm confused

Tell me now cuz my heart is breaking
Tell me now cuz I won't stop asking
Tell me now, tell me now
Cuz I really really wanna know

I love to hurt you baby
I want to see you do everything wrong
I wanna put teardrops in your eyes
I wanna see you breathing
I want to see you crying
I want you down on your knees
