I drove home tired that night  
so careful, to see you  
to start the beginning of you leaving  
it's raining and your house has  
never looked so dark this  
time of day as I'm

[chorus]  
singing to you in my head  
everyone can hear our song  
my every breath consists of sighs  
biting my tongue so long  
it leaves a mark  
I can't go back so I'm  
moving on

this won't be the last time  
our lips touch, I wish it was  
you can't be the only one  
you and my only heart are two  
sewn pieces together in black thread  
you'll remember what you did  
I'm still

[chorus]

I stopped breathing fresh air on Tuesday  
I'll hold your goosebumps in hand sundown  
no more of these perfect evenings  
you're confused about us, don't tell me you  
forgot the words again

[chorus]

I can't go back again [3x]  
I'm moving on  
I can't go back again [3x]  
I'm moving on
