I-yi-yi-yi-yi-yi  
I-yi-yi-yi-yi-yi

Another night when I'm on my own  
Another night when I've got no place to go  
Everybody is trying to be someone  
What they see in-it, that I just don't know  
So I'll go home instead  
Another night in my single bed

'cause I don't want nobody to love  
I don't want nobody to love  
I don't want nobody to love  
To love me, I don't wanna be loved by you  
O-o-o

And I don't think I'll ever understand  
What makes some woman love some man  
And I don't need it anyway  
Hey-hey-hey

Another night going down the pub  
Another night and another pickup job  
Gonna go to the disco club  
I'm gonna try and pull some fat old slob  
Who won't say nothing smart  
Just lie there with her legs apart

And I don't want nobody to love  
I don't want nobody to love  
I don't want nobody to love  
To love me, I don't wanna be loved by you  
O-o-o

And I don't think I'll ever understand  
What makes some woman love some poxy man  
And I don't need it, I don't need it anyway  
Hey-hey-hey yeah

And I don't want no- nobody  
And I don't want no- nobody

And I don't want no- nobody to love

Nobody

And I don't want no- nobody

And I don't want no- nobody

And I don't want no- nobody to love

You understand me?

Nobody to love

I-yi-yi-yi-yi-yi

Nobody to love

No-no-no-no-no-no

Nobody to love

Hey-hey-hey-hey-hey-hey

Nobody to love

I-yi-yi-yi-yi-yi Ya-ya-ya-ya-ya

Nobody to love
