Oye, look who is there
Está super hot ser latino gringo?
No importa por que nosotros somos
Bilingual girls y con el vamos acabar, aah

All I want is a bilingual girl to love me in both languages
To talk to me in Spanish when we are getting started
And English when we are close to the end
(Oh yes)

All I want is a bilingual girl, been looking all around the
world
Everybody has to understand that two tongues are
better than one
Two tongues are better than one
Two tongues are better than one

Claro que, yes, I wanna be contigo
English or Spanish a mí me da lo mismo
Y si tú quieres, I'll teach you a little
Y si no quieres también

I can say, papi, you can say, mami
I say, dinero and you say money
I say, tomorrow, you say mañana
I'll see you then

Soy una viera soy una viera
Con mis dos lenguas te voy enamorar
Soy una viera soy una viera
Con mis dos lenguas te voy envenenar

Soy una viera soy una viera
Con mis dos lenguas te voy enamorar
Soy una viera soy una viera
(Soy una viera, aah)

All I want is a bilingual girl to love me in both languages
(Oh sí)
To talk to me in Spanish when we are getting started
And English when we are close to the end

All I want is a bilingual girl, been looking all around the world
Everybody has to understand that two tongues are better than one
Two tongues are better than one
Two tongues are better than one

My bilingual girl
My bilingual girl
My bilingual girl
Yo quiero, my bilingual girl

I wanna be your friend and you wanna be mi amigo
Me gusta when is hot y a tãfÂ te gusta el frãfÂo
Give me a little love y yo te doy cariãfÂ±o
I'll tell you when

You say tomato, I say tomate
It's Yerba Buena, no Yerba mate
You lke cacao me gustaa el chocolate
(Eskiu me, what?)

Soy una vãfÂvora soy una vãfÂvora
Con mis dos lenguas te voy enamorar 4X

All I want is a bilingual girl to love me in both languages
(Oh sãfÂ)
To talk to me in Spanish when we are getting started
And English when we are close to the end

All I want is a bilingual girl, been looking all around the world
Everybody has to understand that two tongues are better than one
Two tongues are better than one
Two tongues are better than one

I don't care if she speaks my language
I don't care if we stay in touch
I don't care if she has an accent
Just want my bilingual girl
Don't want no material girl

Just want my bilingual girl
Don't want no material girl
Just want my bilingual girl
Don't want no material girl

Just want
(Just want)
Don't want

(Don't want)

Just want
(Just want)
Don't want
(Don't want)

Two tongues are better that one
Two tongues are better that one
Two tongues are better that one
Two tongues are better that one
