Don't you know, you better find someone to love you  
Someone who's gonna paint rainbows above you  
Don't you know, you better find someone to love you  
Uh baby  
'cause i had about all I can take of you, uh baby  
Don't you know, you better find someone to love you  
Uh baby, 'cause i had a.. can't take of you, uh baby.

Don't you know, you better find someone to love you  
Someone who's gonna paint rainbows above you  
Don't you know, you better find someone to love you  
Uh baby  
cause i had about all I can take of you, uh baby  
Don't you know, you better find someone to love you  
Uh baby, cause i had about all I can take of you, uh  
baby.

Don't you know you'd better find someone  
But there you go again yes  
But there you go again yes

Thanks to gabo
