I'm sleepin'  
And right in the middle of a good dream like all at one  
I wake up from something that keeps knockin' at my  
brain.

Before I go insane

I hold my pillow to my head and spring up in my bed

Screamin' out the words I dread

I think I love you, I think I love you

.

This morning I woke up with this feeling

I didn't know how to deal with  
And so I just decided to myself  
I'd hide it to myself and never talk about it  
And didn't I go and shout it when you walked into the  
room

I think I love you

I think I love you

I think I love you

so what am I so afraid of?

I'm afraid that I'm not sure of a love

There is no cure for.

I think I love you.

Isn't that what Life is made of?

Though it worries me to say that I never felt this way.

I don't know what I'm up against

I don't know what it's all about

I got so much to figure out.

Hey! I think I never felt this way.

Believe me

you really don't have to worry.

I only wanna make you happy and if you say

Hey, go away  
I will  
but I think  
better still

I'd better stay around and love you.  
Do you think I have a case? Let me ask you to your face

Do you think you love me?  
I think I love you  
Oh  
I think I love you.
