Broken
By the hour
Hope you're with me
On this one
I'm dancing

First time that I saw you
I remember
Was in a low lit room

You shift, you slide, you run, you hide
You can't escape your faith tonight
It's happening, it's happening, what you want
And you suffer from it

I'm, I'm a broken dancer
On my feet tonight

Oh, tell me
Leave no one, why are you, as cold as night
Tell me
Are you lonely?
Do you miss me
Like you know you should?

You shift, you slide, you run, you hide
You can't escape your faith tonight
It's happening, it's happening, what you want
And you suffer from it

I'm, I'm a broken dancer
On my feet tonight
Oh, I'm, I'm a broken dancer
On my feet tonight, oh

We, are so easily
Divided by what we want
Oh, we, are so easily
Divided by what we want

Oh, I'm, I'm a broken dancer

On my feet tonight
Oh, I'm, I'm a broken dancer
On my feet tonight, oh

Broken
By the hour
I hope you're with me...
