[Chorus]

If you go
I'll never know
Why my heart is set down low
My body yearns, the soul returns
To it's sleep now
It's just a goal, how will I know?
You don't mind and love don't grow
It's just a turn, my body yearns
For your sleep now

Hey see my face
I've played it all a thousand times
In my mind

[Chorus]

Hey see my face
I've played it all a thousand times
In my mind
[X2]

What will it take

For us to brake
Could we do more

Will it take for us to find
Some piece of mind

[Chorus]

And it's you that I want,
That I want,
That I want now
[X3]

[Chorus]

Save it 'till the morning, when the rise
Becomes the fall
Save it 'till the morning, when the rise

Becomes the fall
If you go
[X2]

And it's you that I want,
That I want,
That I want now
[X2]
