Are you dancing with the big boys?
Just like you have no choice
All the words you're saying
Fit the games you're playing
Did you just walk away?
Got trapped one day
To leave them all in disarray.

I said this is not happening
It's not the time
It's not the place
I said this is not happening
It's not my faith
It's not the way and

Dancing with the big boys
Walking through a hot breeze
Do you recall my fall, my space in time?
And I was born to this sweet rhyme

Do you believe
The earth is crying?
Do you believe
We're not alone?
Do you believe
The earth is dying?
Do you believe
The lies you're thrown
Do you believe?

I said this is not happening
It's not the time
It's not the place and
I said this is not happening
It's not my call
It's not my faith
And I

Blood red shot yeah the look in your eyes
Ooh Ooh tell me no more

I said this is not happening

It's not the time
It's not the place
I said this is not happening
It's not my call
It's not my faith

Dancing with the big boys
Shooting through the hot breeze
Do you recall my fall, my space in time?
I was born to this sweet rhyme

Do you believe
The earth is dying?
Do you believe?
Do you believe
The earth is crying?
Do you believe?
Do you believe
The earth is dying?
Do you believe?
Do you believe?
