Why do you run  
From me  
My life has become  
Lonely  
Cold water trails  
Surround me  
When all that I've feared  
Has found me

Maybe I'll never know  
Maybe I just can't see  
Maybe all I want is right  
In front of me

Feel my time is running out  
Baby I want you to know  
One day I will get it right  
Till then I hold my own

Why do you run  
From me  
My life has become  
Lonely

Maybe I'll never know  
Maybe I just can't see  
I just can't afford  
This happening  
To me

Feel my time is running out

Baby I want you to know  
One day I will get it right  
Till then I hold my own  
Feel this time it's coming down  
Baby I want you to know  
One day I will get it right  
Till then I hold my own

One last time we  
Go

Away we go

Feel my time is running out  
Baby I want you to know  
One day I will get it right  
Till then I hold my own  
Feel this town it's coming round  
Baby I want you to know  
One day I will get it right  
Till then I hold my own

Why do you run  
From me  
My life has become  
Lonely
