"Angels"

I sit and wait does an angel contemplate my fate and
do they know the places were we go when we're grey
and old 'cause ive been told that salvation lets their
wings unfold
so when i'm lying in my bed through my head and i feel
that love is dead i'm loving angels insted
chorus:
and through it all he offrs me protection, a lot of love
and affection
whether i'm right or wrong and down the waterfall
wherever it may take me i know that life won't break me
when i come to call he won't for sake me i'm loving
angels insted
when i'm feeling weak and my pain walks down a one
way street I look above and i know i'll always be
blessed with love and as the feeling
grows he breathes flesh to my bones and when love is
dead i'm loving angels insted
chorus
