[Verse 1]

Listen baby, sometimes I know I be playin but set aside
the bullshit, I'm a grown ass man.

What's to understand that I love to fuck, Can I hit it
from the back or put ya ass in a buck?

Screamin Shawty what's up, are we fuckin' are what,
We aint got nothin to discuss i'm simply tryin to bust
nuts.

The temperatures risin', We reachin the bed, Ya eyes
begin to roll in the back of ya head.

[Verse 2]

Bangin' Headboards, The loud noise, The sound of you
screamin.

Turn me on cus it sound like you singin'.

Sayin my name constantly, Sayin' daddy keep fuckin
me.

Get it how you want it long as you keep lovin' me.

Put ya thing down,

Boom the bedroom do it right,

And it jus might be a long night, Alright,

Now be Quiet you don't want them to hear us outside,

Let me get on bottom while you ride.

[Chorus]

Bedroom Boom, (that's what's goin down tonight),

Bedroom Boom, (Let me do ya body right),

My bed will be boomin' for you... (boom boom)

Bedroom boom, (All between the sheets baby)

Bedroom boom, (I wanna drive you crazy),

My bed will be boomin for you.

[Verse 3 (Avant)]

It feels like heaven when were off in this room together.

I Can hear the music playin, then I hear ya voice sayin,

"Ohh daddy now jus give it to me right there." "Ohh

baby, Take a handful of my hair."

Cus you like it rough (rough) can't get enough (nough).

Cus i'm the type of nigga that's gon fill you up, like a

cup.

And make this love thing overflow,

I wont stop until ya body's tellin me so.
Sheets gettin' sticky from the strawberries and
whipped cream,
If these walls could talk they would say this is one hell
of a scene.
Now you movin ya body jus like a gymnast,
From the bed to the dresser, All type a' crazy shit.
Case is tellin me stories, Body's hot and so horny,
Hittin it from the rear, Wanna whisper somethin in yo
ear. "I'm gonna love you all night... I promise."

[Chorus 2]

Bedroom boom, (Bedroom boom!!)
Bedroom boom, (I can hear it baby!)
My bed will be boomin' for you, (We'll be fuckin all
night, yes..)
Bedroom boom, (Hittin yo body!)
Bedroom boom, (Like boom boom boom!)
My bed will be boomin' for you, (My bed will be shakin'
til' the screws come loose, while i'm off in it)

[Verse 4]

Boom goes the bedroom, Behind closed doors, And
the bedroom depends on how far things go.
You move slow or move fast when you off in that ass,
But you hittin' that mothafucker like everytime yo last.
Spread yo legs like a bald eagle, Work that back, Move
like a snake when you do dat dat.
Now be quiet, You don't want them to hear us outside.
Let me get on bottom while you ride.

[Verse 5]

You hotter then the eye on the stove, (Yea) Temptation
got ya outta control, (Mmm Hmmm), You tremblin' like
you
Out in the cold, You screamin' you can't take it no more.
Beat the pussy so bad we done fell on the flo.
(Can you believe it?) Throw our clothes in the kitchen
and in the garage. All this love is waitin for you
Like i'm El' Debarge. See my dick stay hard. (Oh) And
it's gon stay cocked. (Yes) If a bitch fuck wit me she
Gettin her cherry popped.

[Chorus 3]

Bedroom boom, (This is serious business, Baby)
Bedroom boom, (What goes on in this room, So what
baby..)
My bed will be boomin' for you, (Say Boom! boom!)
Bedroom boom, Bedroom boom, (And it feels
amazing!)
