[Kane:]

I need a moment,
I can't stand bitches and hoes
Cause a bitch is a bitch and a hoe gon' hoe,
But a woman hold her own
She got her own home
She drive her own car
Buyin drinks at tha bar
Take a nigga out to eat
Take a nigga to da mall
Treat a nigga good
And wash a nigga draws
But bitches aint shit,
Always talkin shit
They wanna be tha shit
But is they shit? No
And hoes, they fuck off the god damn chain
Everything and everythang but don't take names
So das a nasty hoe and i can't do shit wit it
Please get out my face I don't need a case
Yeah, I love yall respectful women
Independent women
I takes em out all the time
But yall hit the baggage need to keep on trackin
I aint speakin I aint talkin to nothin
Cause

[Chorus:]

All these hoes is da muthafuckin same,
Play ya to da left like a muthafuckin lame,
Call yall out yall muthafuckin name,
Fuck yall lames
I got game!
I hate hoes, hoes hate me
I hate hoes, hoes hate me
I hate hoes, hoes hate me
I hate hoes, hoes hate me

[Jacki-O:]

Just keep my name out ya mouth
Before ya find out how a down south hoe wil' out
You a hata, she a hata, three a hata, fo'
Everywhere i go i see some hatin ass hoes
Seven bell, jazze bell, never my ??
?? be hot because my deeper asophagus
Still they run up on me, smile, and phone me,
Laugh cuz soon as i turn my back they stab it
Learn to play fair
Stop tryin to care
Two hoes to one nigga,
Bitch, learn to share
Baby, you dead ass broke
For hatin on the rich chicks
See how i flow?
Bitch, put it on ya wish list
Two seater wit tha chill on
My baby daddy put tha grill on
Fixin to put tha heels on
Chrome spokes wit da low pros
And tha trunk funk blows up the cedar on the
dashboard

[Chorus:]

All these hoes is da muthafuckin same,
Play ya to da left like a muthafuckin lame,
Call yall out yall muthafuckin name,
Fuck yall lames
I got game!
I hate hoes, hoes hate me
I hate hoes, hoes hate me
I hate hoes, hoes hate me
I hate hoes, hoes hate me

This is the mens national anthem for this year
All yall real women,
Yall can sing this shit too
If u a hoe and u hate another hoe,
U can sing this shit too
If u a bitch and u hate and bitch,
U can sing this shit too
So everybody gon' sing this shit
I hate hoes, they hate me too
Yup
