I will explain like and ancient myth,  
only for the interested.  
I will explain like and ancient myth,  
only for the interested listener.  
I will respect those that listen,  
and wait for those who don't.  
To find an interest, In a tale of fiction.

The universe I follow. Holds something powerful.

I will explain like an ancient book,  
Only for the interested reader.  
I'll respect those that listen,  
and wait for those who don't.  
To find an interest, In a tale of fiction.  
The universe I follow, Holds something powerful.

Be enlightened now, Learn yourself.  
I'm not entitled to show you how.

To: The reader. To: The readers,  
Be enlightened now, learn for yourself,  
I'm not enlightened, to show you how.
