Automatically, I can ride a dick, no doubt  
I'm known for getting all the haters mad  
I can go slow but go crazy fast  
I give amazing head  
Backside a lil softer than a baby's ass  
Now that's wild soft  
I'll let a rich n!gga hit it on his golf course  
I got a young dude open, that was my fault  
I let him see me in my bra and my boy shorts  
Now for the freaks in here, it's the remix  
Puttin' down with the Ying Yang Twins  
Last night I fell in love with an O.G.  
He crept up on me
