It's good to see you baby, it's been a long, long while  
We're both a whole lot older, and seen a lot of miles  
But things are really different now, since the good old  
days  
And you've been in some trouble, since we went our  
separate ways  
We'll have to say hello, maybe some other time instead  
'Cause you're wanted by the police, and my wife thinks  
you're dead  
Somebody spread the rumor, that you had lost your life  
Least that's the way I heard it, and what I told my wife  
Now here you're showin' up again, and talk is gettin'  
round  
And I can see that one of us will have to leave this town  
If you think that I want trouble, then you're crazy in your  
head  
'Cause you're wanted by the police, and my wife thinks  
you're dead  
You never called or wrote me, just up and disappeared  
Nobody knew what happened, where you been for all  
these years  
Now trouble's what you're lookin' like, cause trouble's  
where you've been  
And I can see the kind of trouble you could get me in  
You better pay attention to every word I said  
'Cause you're wanted by the police, and my wife thinks  
you're dead  
So good-bye to you baby, I'm glad we got to talk  
But I'm faithful to my wife, and I don't ever break the  
law  
I don't know where you're headed for, but I know where  
you been  
We reminisced, now let's just go our separate ways  
again  
Go find another ex-sweetheart to hang around instead  
'Cause you're wanted by the police, and my wife thinks  
you're dead  
I said you're wanted by the police, and my wife thinks  
you're dead
