Oh, why you look so sad?
Tears are in my eyes
come on and come to me now!
Don't be ashamed to cry
let me see you trough
'cause I've seen the dark side too!
When the night falls on you
you don't know what to do, nothing you confess,
can make me love you less:

Ref:

I'll stand by you,
I'll stand by you
won't let nobody hurt you
I'll stand by you!

So, if you're mad, get mad,
don't hold it all inside
come on and talk to me now.
Hey, what you got to hide?
I get angry too,
well, I'm alot like you.
When you're standing at the crossroads
and don't know which path to choose,
let me come along
'cause even if you're wrong:

Ref:

Take me in, into your darkest hour
and I'll never desert you
I'll stand by you
and when...

When the night falls on you, baby
you're feeling all alone
you won't be on your own:

Ref:

Take me in, into your darkest hour
and I'll never desert you
I'll stand by you
I'll stand by you

won't let nobody hurt you
I'll stand by you
won't let nobody hurt you
I'll stand by you!
