Run like I've never run before

Run to the center, run to the core

Run like I've never run before

I don't wanna go to jail

'Cause that shit's no fun to me

Don't wanna spend all of eternity in hell

But I know that shit's comin' to me

I hit eleventh street, with no shoes on my feet

I hear the fuzz, the like to go off, brutalize and beat

I hitch a ride to Jersey, I'm feelin' tired and thirsty

But all that's on my mind is

Run like I've never run before

Run to the center, run to the core

Run like I've never run before

I don't wanna go to jail

'Cause that shit's no fun to me

Don't wanna spend all of eternity in hell

But I know that shit's comin' to me

I don't wanna go to jail

I've done my time

Aint got nobody to come and post my bail

Somebody dropped that dime

That dime, that slime
