Unn,

(Verse 1 )

Aint shit changed, I be on the sidekick everyday

What's ya number naah what's yaa aim,

You cute girl what you expect for me to say,

I hit her up like what you doing today,

She didn't hit me back, she put her away in my face

Thass mean you rude. that'ss why you still got a

sidekick2,

Now I'm on to the next chick, " chupa mi pito " my aims

famous

My sidekick prepaid just aim it.

Talking to girls that don't speak my language, out of all

her icons. mines her favorite

& she would never ignore me,

If I aimed ya girlfriend I bet she store me!

( chorus )

You trynna kick it ( maybe )

Where ya man ( he Gone )

AIM ME!

Wait how you getting home, AIM ME

I don't talk on the phone jus aim me.

Aim Me x6

I don't talk on the phone just aim me

( Verse 2 )

Okay, put my Vot on small,

Scrolling down my aim list & I'm trynna aim all yall

I'm so not like yall I get a new aim every time I'm in the  
mall

& yo icon Cute.

You Can hit me up girl.

IF YOU BOMB

I Gottah put a code on my phone,

Cuz my girl try to go threw it when she come home.

Icons, aways, & smiley faces

She said I want her aim.

I said I'll take it

T-Mobile Got everybody aiming.

The service tripping my aways keep changing

& she would never ignore me

If I aim ya girl friend I bet she store me

( chorus )  
You trynna kick it ( maybe )  
Where ya man ( he Gone )
