Quicker then a heart beat  
I can take your girl quicker then a heart beat(x3)  
1 pump; 2 pump; 3 she like me  
I can take your girl quicker then a heart beat(x3)  
1 pump; 2 pump; 3 your wifey  
I can take your bitch quicker then a heart beat  
If you look up  
Yeah you know she wit me  
Your bitch want my number  
Yeah you know she keep asking  
I think she like me cause I'm light skinned & I'm nasty  
Yeah it's like that  
Yeah it's like that  
Your girlfriend want me and I want her right back  
Ima give her no slack  
Yeah you know I brake her back  
And we in for the night so there aint no comeing back  
Ima hit it up and beat it  
If she cute then ima eat it  
Yeah you know I keep a stroke  
And keep that pussy wet on weekends  
Ima do it till the mornin  
Get dressed then I'm leavin  
Call another bitch that I cracked last weekend  
She said she got a dude but she aint really trippin  
It's tootsie 48yeah you know I keep it pimpin  
It's never no sippin pushaz in the buildin  
5 fingers in the air bitch no ceilings  
I can take your girl quicker then a heart beat(x3)  
1 pump; 2 pump; 3 she like me  
I can take your girl quicker then a heart beat(x3)  
1 pump; 2 pump; 3 your wifey  
I can take your bitch and wont give her back  
Like fast; real fast like asap  
I can take a niggas bitch and I can bang that  
She comfortable cause my bed is like a mayback  
But he actin like he don't care  
She said she was out of shape and he was a square  
Oh weird-o' niggah proly born in delaware  
She had a baby by him but huh I didn't care  
She's something to cherish like gold silva ware  
Then she herd pusha equals young billionaire

Throwing money in the air like we don't care  
While yo girlfriend stop and stare  
And when I go beast that's when she calls me papa  
bear  
I snatch yo bitch nigga get outa here  
I herd her say that she want a nigga like me  
Like I was flockin I took his bitch in a heart beat  
I can take your girl quicker then a heart beat(x3)  
1 pump; 2 pump; 3 she like me  
I can take your girl quicker then a heart beat(x3)  
1 pump; 2 pump; 3 your wifey  
I can take your bitch quicker then a heart beat  
I just took yo bitch quicker then a heart beat  
Legs and thighs in my mouth like dark meat  
And she lifted up tow truck no parking  
Then I beat it up like a cop no robbing  
Pause;; I know I'm getting off  
It's tied dolla sign please hold your applause  
Pusha eatin nigga let me see your palms  
Ring the alarm we are the bomb  
Tick tick I got your girlfriend  
Tip-tippin on my dick tip-tippin on my dick  
And she real bad real bad real kinky  
And I herd she go both ways like nicki  
Ima find out cause now she comin to my house  
To put the pussy back in my mouth  
I was to high last time  
I couldnt even fuck her right  
But tonight ima beat this pussy  
Like I beat this beat box  
I can take your girl quicker then a heart beat(x3)  
1 pump; 2 pump; 3 she like me  
I can take your girl quicker then a heart beat(x3)  
1 pump; 2 pump; 3 your wifey  
I can take your bitch quicker then a heart beat
