[1]

Im from bompton
Nigga get yo ass boop bop
Like goo wop
Pop pop thats two shots
My shooters in the hood
Going ham they need the woosaa
Niggas aint beefin with a hamburger
Im on rosecrans nigga at tamburgers
Im buying AK's and hanguns
through the enemies
Foul nigga and one
Im really with the shit though
Im really on the block with the pistol
Let it blow like a whistle
your mom's look like she do crystal
Im a hundred rack bot
Ya daddy is a bitch
And you the son of that boy

[Hook]

Nigga im from bompton
thats why you bitch wanna fuck
And you homies dont like me
cause they know where im from
Nigga im from bompton
I be really in the hood though
Mama never understood though
Nigga im from bompton
New shit chopping whip coppin'
Nigga im poppin'
Nigga im from bompton
Where the crips say burr
Bitch niggas get on my nerves

[2]

Im buying choppers like tennis shoes
And i hate doing interviews
Cause criminals dont like talking

I dont go to funerals i dont like coffins
You wasnt catching face in the county
Niggas told you roll it up
And you was outie
I got cribs they be TG'd up
I heard you with the county
And be PC'd up
Your bitch fuck me cause im popping
I be on the block when the police watching
And if you cross the street
Its a store there
But thats the enemies store
We dont go there
Nigga im from bompton
I know ese's and all the enemies
Bitch wanna sex me
All my YG's give it up
Enemies hit em' up
West side tree top gang
We dont give a fuck

[Hook]

And you homies dont like me
'Cause they know where im from
