And if you with it like I'm with it
We can get it bracking
I'm tryna give you two things some dick and
satisfaction
You know we both christian
You know we both sinnin
Just ask for forgiveness, after R movie dinner
Yeah, with your fine ass, treat you like a wine glass
Top shelf, beat that pussy up
Beat it up but do it careful
Turn your phone off (girl) no one can help you, yeah
See I'm a pussy eating nigga, all I do is eat pussy
Do it in your mama house,
Like I don't care if she lookin
Yeah it's so good, I have her shakin
He lookin, tell him she took it
Put it in my mouth girl put it in my mouth
Have you sayin oh my god girl just put it in my mouth
Yeah, put it in mouth girl, put it in my mouth
This a message from the lord girl
Just put it in my mouth

[Hook]

I'm ma give you that love jones
Baby lay your head down
Don't worry bout a thing
Leave it up to me, and I'm ma work it out
Love jones, love jones, love jones, yeah baby
Whoa, uh, I get it 1 time, 2 times
Whoa, uh, yeah, yeah, 1 time, 2 times

Fuck yo make up, I be tryna lay up
Slanging dick so good you can't even stay up

Yeah I do it soo good make you wanna bang the hood
Say it's on then it's on
To make sure I sip patron till it's gone uh
She in her t shirt and the panties or whatever
Yeah as long as they ain't grannies

So bring your home girls

I'm tryna turn a phone conversation
Into taking off your thong girl
So if you with that, let's get to chit chat
Get to the bizzack, I make that pussy collapse

And I know you got some situations with them other

But I wanna fuck with you, so I'ma deal with em,
