Mm I cant feel no better (x3)
Mm, Mm , Mm (x4)
Take it Back,Take It Back,Take it
Back Hoe (x4)
Take It Back
Damn, she look good from the back
Take It Back
Look at her ass its so fat.
Take It Back
Damn, she look good from the back
She dance,Bring it back
Come sit on my lap
Take it back,Take it back,Take it
back hoe
Im in the function with the burner
Cause I snuck thru the back do'
I know you like me what chu tryinna act fo'
I stack da re-up and I stack mo
Im t.i.u with her and her friends
And they all try to hit da blunt
But they aint put it in
Oh so,
Look at her ass she so dick,
Thats my hoe
Now Im tryinna make her my bitch.
And my outfit cost me a grill
And I make it rain all over yo chick.
Im a baller.
She gave me her number but I aint gonna call her
Cause I got prepaid so was yo aim
Was yo name
she said Kiesha and I slid straight thru her like a visa
Ha ha
Aye,Im hotter then a fever.
And she get straight to the head like a pain reliever
Take it Back,Take It Back,Take it
Back Hoe (x4)
Take It Back
Damn, she look good from the back
Take It Back
Look at her ass its so fat.
Take It Back

Damn, she look good from the back
She dance,Bring it back
Come sit on my lap
Take it Back
Aye,its money over bitches like a fraction problem
And I got a revolver needa problem solver
High offa weed and triple C's
Im at mcdonalds finna order me a number 15
Cuz Im too clean in my skinny jeans
Id like a skinny bitch wit a twenty fo inch weave
Im ballin
So far away from fallin
Im ballin like my bestfriend name was spaldin
I came out the womb two steppin
Yall came out the womb crawlin
And yall still aint walkin
S.m.h. i got the S.K. take a bullet to the head
And hit off his whole face
Nah he a hot mess
And thats cold game
And Im too hot to ever be a cold flame!!
King Yg put go to my name.
And Im a beast who just broke out of his cage
Take it Back,Take It Back,Take it
Back Hoe (x4)
Take It Back
Damn, she look good from the back
Take It Back
Look at her ass its so fat.
Take It Back
Damn, she look good from the back
She dance,Bring it back
Come sit on my lap
Take it Back
Do the reject (x8)
Fuck it up,girl gone fuck it up girl (x8)
Take It Back
Damn, she look good from the back
Take It Back
Look at her ass its so fat.
Take It Back
Damn, she look good from the back
She dance,Bring it back
Come sit on my lap
Take it Back

Mm mm mm (x2)
Mm, I cant feel no better
