4 hunnid degreez  
I tell her  
what up bae  
i know you tired of your niggas saying they gonna do  
things you know they can't  
thats the shit you shouldn't tolerate  
ill tell who you who i fuck and do this shit but honestly  
i know i dedicate my life to this music  
but I'm trying to be there when you confiscate  
see i can bring you love that everything you love  
plus good girls need a thug  
now i aint the boy you went to school with  
but i can be there when you do the things you do it  
and even though we just met I'm still thinking we  
should do it cause its just sex you know  
in the middle of the night you know my body's feigning  
for you baby  
gotta call you up and let you know this is what I'm  
feeling baby  
body body body zero zero 24  
dazed in a museum gonna gonna gotta have some  
more  
i know that you like it if i lay you down (if i lay you down  
yeah)  
cause you like if i just just let you down  
i can't think about nothing else since you let me read  
your love  
ain't no zebra girl your body fit me like a glove  
my body all over your body your body all over my body  
my body all over your body it's your body baby  
my body all over your body your body all over my body  
my body all over your body it's your body baby  
in the middle of the night you know my body's feigning  
for you baby  
gotta call you up and let you know this is what I'm  
feeling baby  
body body body zero zero 24  
dazed in a museum gonna gonna gotta have some  
more  
i know that you like it if i lay you down (if i lay you down  
yeah)  
cause you like if i just just let you down

i can't think about nothing else since you let me read  
your love  
ain't no zebra girl your body fit me like a glove  
my body all over your body your body all over my body  
my body all over your body it's your body baby  
my body all over your body your body all over my body  
my body all over your body it's your body baby
