Wandering the fields at night
Wondering what happened to his head
He doesn't think he's dead.

Shapes of ghosts lie all around
Nightmare creatures lying by his bed
A paler shade of red

They tell me
This cannot be true it must be myth
But did he have a fight with Dani Filth?
It must be...

Acid Days and Alkaline Nights
Popping pills and getting into fights
Acid Days and Alkaline Nights
Popping pills and getting into fights

Wandering the streets at night
Wondering what happened to his head
He doesn't think he's dead.

Fear of every passer by
Paranoia tearing through his heart.
Begins to fall apart

They tell me
This cannot be true it must be myth
But did he have a fight with Dani Filth?
It must be...

Acid Days and Alkaline Nights
Popping pills and getting into fights
Acid Days and Alkaline Nights
Popping pills and getting into fights

Acid Days and Alkaline Nights
Popping pills and getting into fights
Acid Days and Alkaline Nights
Popping pills and getting into fights
