If you wanted to stay
Why didn't you just say?
You didn't have to be someone else around me.

And now your lie is true,
I'm looking back at you,
I see your twisted form
The lie from which I'm torn from you

Cos it's all wrong, and it's all wrong

I see you through a Glasseye
Fragment of you, your tears are dry
Why did we separate,
Leaving all this pain to grow?

You didn't need to pretend
To avoid another painful end.
My dreams were lost with you,
They tell me what to do.

I'm looking for a break,
The drug has time to take a
second shot at you.
Now what will I ever do with you?

Cos it's all wrong, and it's all wrong

I see you through a Glasseye
Fragment of you, your tears are dry
Why did we separate,
Leaving all this pain to grow?

I see you, I see you, I see you through a Glasseye
I see you, I see you, I see you through a Glasseye

I see you through a Glasseye
Fragment of you, your tears are dry
Why did we separate,
Leaving all this pain to grow?

Grow, Grow, Grow, Grow
