Last Honest Cops in New York City  
Take a look around as we're going down  
Last Honest Cops in New York City  
Glitter in the blood as it hits the ground

C'mon  
Hey Hey

This house is rotten, All around I smell decay  
These white washed walls can't hide the sins of men  
away  
Bring out the vultures on the carcass they will pray  
The blind girl with the scales cannot come out to play

And now, all I see surrounding me is greed  
And now in the darkness subtle minds deceive  
Make you bleed

Last Honest Cops in New York City  
Take a look around as we're going down  
Last Honest Cops in New York City  
Glitter in the blood as it hits the ground

Woh-oh

Camouflaged in uniforms their eyes lit up with lust  
Who will guard the guardians? Who is there left to  
trust?  
They pledge allegiance to protect their own misdeeds  
We can't be bought and sold  
We won't be bought and sold

And now, all I see surrounding me is greed  
And now in the darkness subtle minds deceive  
Make you bleed

Last Honest Cops in New York City  
Take a look around as we're going down  
Last Honest Cops in New York City  
Glitter in the blood as it hits the ground

Last Honest Cops in New York City  
Take a look around as we're going down  
Last Honest Cops in New York City  
Glitter in the blood as it hits the ground
