How can I trust my memory?
How can I trust my own memory?
Did what I thought I saw before occur?
How can I trust my family?
Maybe they've lied for years to me
Did what I thought I saw before occur?
How can I trust my own memory?

I'll bet that you have hidden in your shirt
The secrets of everything
The entire universe
I'll bet that you have hidden in your purse
The secrets of everything
The entire universe
But would you ever show me?
But would you ever show me?
Oh will you show me?

How can I touch my memory?
I want to hold it in front of me
I've never done this kind of thing before
The telephone is bleeding but I'm not sure
What the telephone is bleeding for
Watch out you might get some on your clothes
How can I trust my own memory?

I'll bet that you have...
