"Too Late"

I imported horses from Dubai.
Like great white sharks we rode
Around the local park
Soon enough the high street felt our steeds
Like spraying paint
We flew across pedestrians
They sing:
"Oooh it's really too late, really too late for me" x2
"For me....."

Galloping from chimney to chimney
We soon got lost
Chasing pigeons and other things.
Somehow I was separated from the main group
And I

was thrown by my big white horse
They sing:
"Ooh it's really too late, really too late for me" x2
"For me....."

"Late, really too late, really too late, really too late,
really too late.....
Really to late, really to late, really to late, really too
late....."

"Ohh, it's really too late, really to late, for me....
It's too late for me."
