so what, so what, so what ya gonna do now  
everybodys turning around  
look out, below, i know theres something missing.  
everybodys turning around  
weve got to make the best of what weve got now  
everybodys turning around  
i wish i, hope i, knew this wouldn't happen  
everybodys turning around

woahhhhh

so what, so what, so what ya gonna do now  
everybodys turning around  
look out, below, i know theres something missing.  
everybodys turning around  
this time i feel i shouldve really started  
everybodys turning around  
i wish i, hope i, knew this wouldn't happen  
everybodys turning around

bridge:

after this is over all my friends are hanging around.  
drinking pabst and whiskey as the sun is going down.  
after this is over all ive got to do is run.  
run from all the cops because i'm still 16 years old.

run from all the cops because im still 16 years old.  
run from all the cops because they still think that i stole.  
run from all the cops because their all racist assholes.
