It's the best disco in town
Number one in disco sound
It's the place where hip people meet
Hey! Hey!
It's the best disco in town
Bump and boogie all around
It's no place to sit in your seat
Hey! Hey!
D. J.'s are the best there
You never get a rest there

You may meet the right girl or guy
And when they play the right groove
Your body makes the next move
Get up on the floor and get down
You'll see that the music can take you hey'.

It's the best disco in town
Funky music by the pound
Join the crowd
come on dance and sing
Hey! Hey!
It's the best disco in town
People come from miles around
It's the place to do your own thing
Hey! Hey!
People dress the best there

The music does the rest there

The very best in sound slow or fast
If you make a request
the
D. J. will do his best to lay
Down your favorite sound
Some new or may be one out of the oast.

Get up on the floor and get down

You'll see that the music can take you high!
