Lord grace of god
So rich and free
That is what the good lord means to me
He makes me laugh he makes me sing
I can't think of any happier thing

chorus
And the grant spread across my face
As I think I am god amazing grace
For he set me free when he gave true life to me

I stand amazed he shines all around
He lifts me u whenever I am down
So faithful and true so good and kind
Oh my my my how sublime

chorus
And the grant spread across my face
As I think I am god amazing grace
For he set me free when he gave true life to me

He has giving me the desire and power
To do the things that will set me free
The grace of god that is what it means
Do it for a long time but now I have seen

Chorus
And the grant spread across my face
As I think I am god amazing grace
For he set me free when he gave true life to me

Holly father up above thank you for your give of love
For who you are for your majesty you are everything
that a soul could be

Chorus
And the grant spread across my face
As I think I am god amazing grace
For he set me free when he gave true life to me
And the grant spread across my face
As I think I am god amazing grace

For he set me free when he gave true life to me
