Jesus, Oh Don't You Know
Jesus, Oh Don't You Know
you..you turned my life around, turn my life around
once I was afraid to smile
didn't want to break the shell build around my life
but Jesus, oh don' you know
Jesus, oh don't you know
that you turn my life around
made a smile from around

once I was afraid to touch
couldn't take a brother's hug
thought I was too tuff
but Jesus, oh don't you know
Jesus, oh don't you know
that you turn my life around
make me huggy fuzzy brown

once I had to cut in joke
had to show the other shame
and know you're not the same
but Jesus, oh don't you know
Jesus, Oh Don't You Know
that you turn my life around
don't put the other man down
Jesus, Oh Don't You Know
Jesus, Oh Don't You Know
that you turn my life around
that you turn my life around

Jesus, Oh Don't You Know
Jesus, Oh Don't You Know
that you turn my life around
