Jesus said unto them if he were blind
He should have no sin but now he say we see
There for your sin remain if we say that we have no sin
We deceive ourselves and the truth is not in us
If we confess our sin he is grateful just to forgive us
Jesus said unto them if he were blind
He would have no sin but now he say we see
Therefore your sin remain if we say that we have no sin
We deceive ourselves and the truth is not in us
He is faithful and just to forgive us
He is faithful and just to forgive us
He is faithful and just to forgive us
He is faithful and just to forgive us
