You drive me crazy
Out of my mind
You really do it to me
You're one of a kind.

You sucked me in like a magnet
Now I'm addicted to you
I'm always ready
Ready for you

You turned me on, you make me explode
Too much is never enough
With ecstasy, you'll give it to me
Too much is never enough

You taste so sweet, baby
Angel in heat
You're so sweet
Angel in heat

The way you do it to me
The way you use your lips
You make me scream
An' we go down for another trip

Never ending feeling
The way it must be
Our desire
Brings us higher

You turned me on, you make me explode
Too much is never enough
With ecstasy, you'll give it to me
Too much is never enough

I know you love it
An' I love it too
You give it to me
An' I give it to you

Keep on, keep on
Never stop

Let's go over the top

You turned me on, you make me explode
Too much is never enough
With ecstasy, you'll give it to me
Too much is never enough
