Know your place in life is where you want to be  
Don't let them tell you that you owe it all to me  
Keep on looking forward, no use in looking 'round  
Hold your head above the ground and they won't bring  
you down

Anthem of the heart and anthem of the mind  
A funeral dirge for eyes not blind  
We marveled after those who sought  
Wonders in the world, wonder in the world  
Wonder in the world they wrought

Live for yourself  
There's no one else more worth keeping up for  
Loving hands and bleeding hearts  
Will only cry out for more

Anthem of the mind and anthem of the heart  
A funeral dirge for eyes not blind  
We marveled after those who sought  
Wonder in the world, wonder in the world  
Wonder in the world they wrought

Well, I know they've always told you  
Selfishness was wrong  
Yet it was for me, not you  
I came to write this song

Anthem of the heart and anthem of the mind  
A funeral dirge for eyes not blind  
We marveled after those who sought  
Wonder in the world, wonder in the world  
Wonder in the world they wrought, wrought, wrought
